

THE WEDNESDAY LIFE DRAWING SESSION

Many budding artists are held back by an inability to draw well. If this is you, or you just have an interest in drawing the figure, come along to the Arts Tree Wednesday Life Drawing Session!

Untutored Life Drawing Session 6:30 to 8:30pm, \$15.00 or \$10.00 for Arts Tree students (cash at the door).

Every Wednesday evening we engage a professional life model for to pose nude for us, beautifully lit on our purpose built podium, in poses ranging from 30 seconds to 20 minutes long, giving both the model and the artists the opportunity to warm up and then settle into some serious drawing. We engage both male and female models of many shapes and sizes.

BYO Drawing Materials!

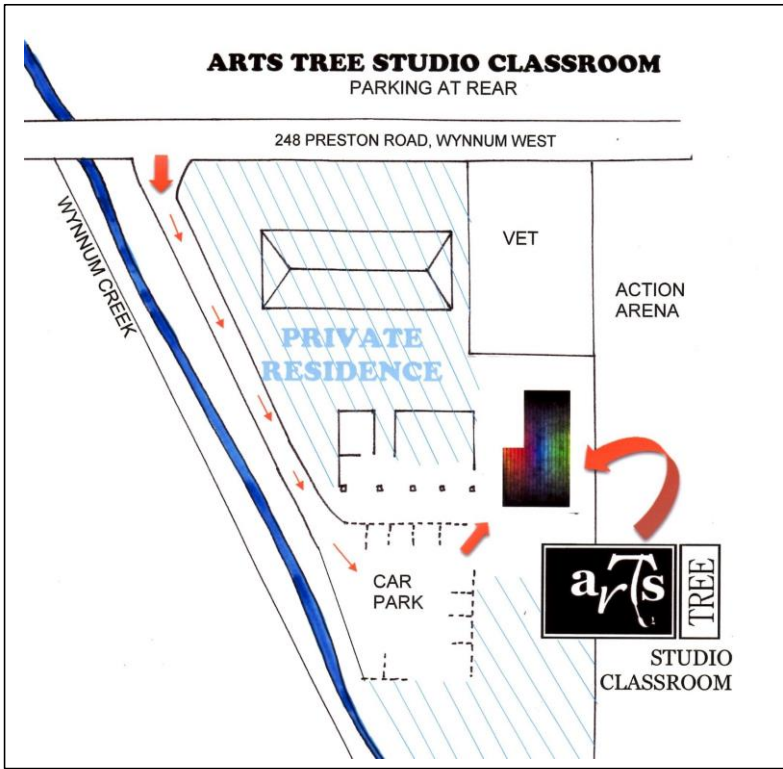

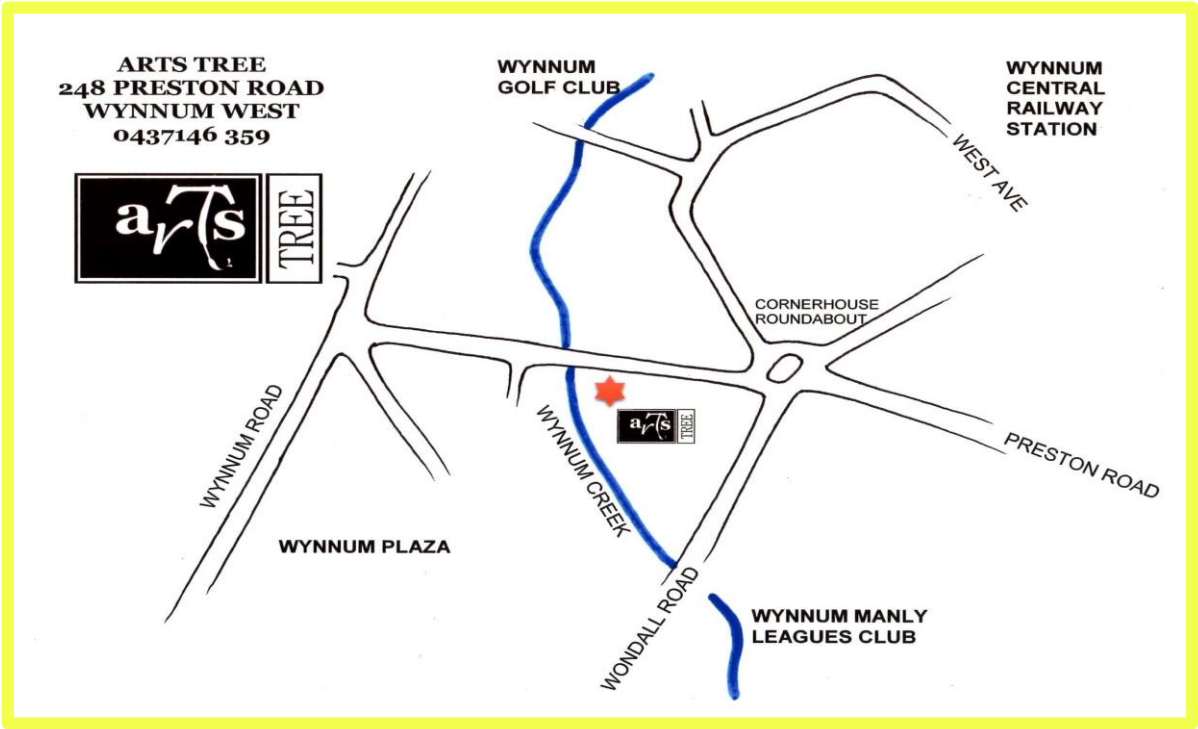

Easels, butcher's paper, drawing boards and clips provided.

A1 Cartridge paper is available at the studio for a small price.

We cap the number of participants to avoid overcrowding, so if you would like a spot kept for you please let us know you will be there!

Please note, do let us know you intend to come along to avoid being locked out once we lock the doors at the beginning of each session!
