Big Trees Little Trees

AUGUST 17TH AND 18TH, 2024

9:00 AM TO 3:00 PM

\$500 PER PERSON (MATERIALS NOT INCLUDED)

TUTOR: DE GILLETT COX.

Create a vibrant, textured painting on canvas as you learn the unique techniques developed by De Gillett Cox.

Colour Rubs, Gesso Soup, stencilling, glosing and glazing...

Negative and Positive techniques...

Harmonious, yet vibrant colour schemes.

Build your painting in layers, learning about composition and balance. Incorporate patterns and a level of abstraction into tree forms using bold colours

Suitable for beginners as well as more experienced artists seeking new techniques or to regain their enthusiasm for making intricate, nuanced, colourful paintings.

We will work through the stages with firstly a demonstration from De, then it will be your turn to complete that stage on your canvas with abundant help and guidance from De and her co-tutor Ali. While that is drying, we will move on to the next demonstration, before finally taking home a triumph on canvas!
