Rocks and Rivers

MAY 18TH AND 19TH, 2024

9:00 AM TO 3:00 PM

\$500 PER PERSON (MATERIALS NOT INCLUDED)

TUTOR: DE GILLETT COX.

Create a vibrant, textured painting on canvas as you learn the unique techniques developed by De Gillett Cox.

Colour Rubs, Gesso Soup, stencilling, glosing and glazing...

Negative and Positive techniques...

Harmonious, yet vibrant colour schemes.

Build your painting in layers, learning about composition and balance. Incorporate patterns and a level of abstraction into the natural landscape, without sacrificing recognition of a place.

Suitable for beginners as well as more experienced artists seeking new techniques or to regain their enthusiasm for making intricate, nuanced, colourful paintings.

Paint your canvas this colour or similar before class

We will work through the stages with firstly a demonstration from De, then it will be your turn to complete that stage on your canvas with abundant help and guidance from De and her co-tutor Ali. While that is drying, we will move on to the next demonstration, before finally taking home a triumph on canvas!
